1. How to Check Procurement Contract Status

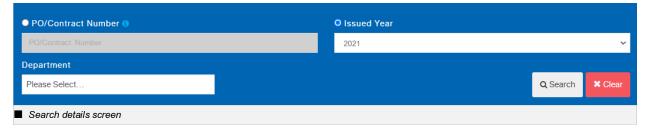

This is a web page enabling Vendor to check the status of their procurement contracts; Vendor can login via the PTT Procurement website at https://procurement.pttplc.com. After successfully logging in, Vendor can access the "Procurement Status/Certificate of Work" menu option, as depicted in the image.

After Vendor clicks the "Procurement Status/Certificate of Work" menu, the system displays three menu options as illustrated, from which Vendor can select the second menu "Procurement Status/Certificate of Work."

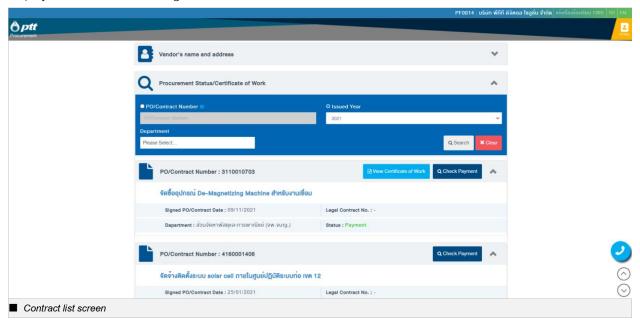

Vendor can access the search details screen automatically by clicking the dropdown button in the Procurement Status/Certificate of Work menu. As indicated in the image, Vendor can search for contract number.

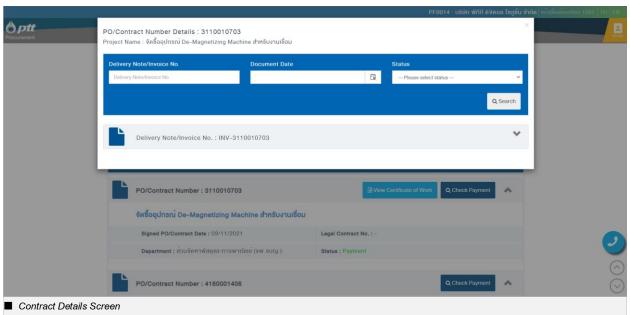

Field Name	Details
PO/Contract Number	Indicate a PO number, contract number, or Letter of Procurement
	Acceptance beginning with 31, 41, and 51.
Issued Year	Indicate the year that a PO, Contract, or Letter of Procurement
	Acceptance was signed.
Department	Indicate the procurement department, which might be more than one.

After Vendor has completed the search data and clicked the Q Search button, the search results will be displayed as shown in the image.

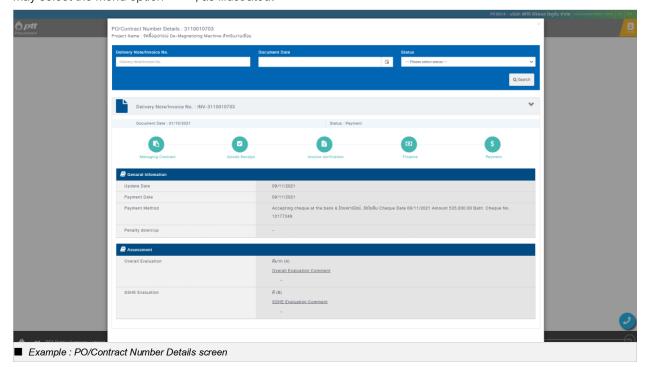

Vendor can review contract details by clicking the October Payment button, as illustrated in the image.

In the contract details screen, the system will display the "Delivery Note/Invoice No." and any invoices associated with the contract. If Vendor wants to view the details of each delivery note/invoive number, he or she may select the menu option , as illustrated.

On the Invoice status of procurement screen, the following information will be displayed.

• An invioce has 5 statuses as shown in the image

■ Example : Invoice status of procurement screen

Field Name	Details
Document Issue Date	Indicate the date an invoice was issued.
Status	Indicates the status of the Delivery Note/Invoive No. When the status is complete,
	the status icon is green; when the status is in process, it is orange.
	There are five different statuses concerned with Delivery Note/Invoive No.
	1. Managing Contracts = This status indicates that Purchase Orders, Contracts,
	and Letters of Procurement Acceptance have been issued but not yet invoiced.
	2. Goods Receipt = This status indicates that the Purchase Order has been
	invoiced and that the invoice or invoice receipt is now being reviewed.
	3. <u>Invoice Verification</u> = This status indicates that the Purchase Order has been
	invoiced and that the accountant has reviewed the invoice or invoice receipt.
	4. <u>Finance</u> = This status indicates that the Purchase Order has been invoiced and
	that finance has reviewed the invoice or invoice receipt.
	5. Payment = PTT has already made the payment.

Remark: Statuses of Invoice No./Delivery Slip No.

--> Completed

--> In process.

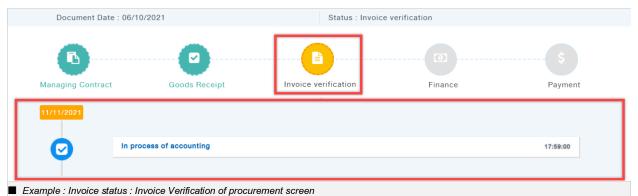

--> Not yet implemented.

If the "Invoice Verification", "Finance", and "Payment" icons are green, Vendor may click the button to view additional details which can be divided into different payment methods as shown below.

■ For example, the screen shows the evaluation results

Field Name	Details
Overall Evaluation	Show the vendor's evaluation for the assigned project. If there is feedback, it will
	display in the section "Overall Evaluation."

Field Name	Details	
SSHE Evaluation	Show the vendor's SSHE evaluation for the assigned project. If there is feedback, it	
	will display in the section "Overall Evaluation."	

The Delivery Note/Invoive No. can also be searched in the search box by the vendor.

Field Name	Details
Delivery Note/Invoive No.	Indicate the number of the delivery note/invoice, the hand-over document and
	invoice.
Document date	Indicate the date of the delivery note/invoice, the hand-over document and
	invoice.
Status	Indicate the status of the delivery note/invoice, the hand-over document and
	invoice.

2 Registration as PTT Approved Vendor List (AVL)

Vendors applying for PTT AVL using the PTT Vendor Management System (PTTVM) must follow the following procedures.

- Vendor must register with PTTVM and create an account in order to access PTTVM (Please see section 2
 of this manual for more information about PTTVM registration)
- Vendor must read and accept the PTT Supplier Sustainable Code of Conduct's terms and conditions
 (PTT SSCoC)
- Vendor must provide an online ESG Self-Assessment with a minimum score of 2.5.

2.1 How to Become a PTT AVL

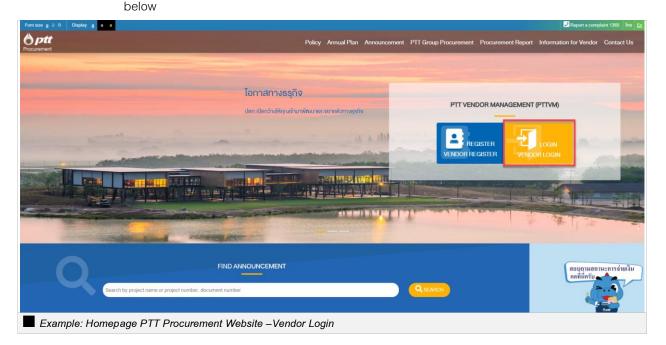

Login to the PTTVM system by going to PTT Procurement Website with URL https://procurement.pttplc.com or directly to PTT Vendor Management Website with URL https://pttvm.pttplc.com/index.html#/app/signin as shown in the two images below

- 2.1.1 After successfully logging in, Vendor may access the PTTVM system through two methods by selecting the "PTT AVL Registration" menu option.
 - Through the first method, Vendor may access PTT Procurement Website through the URL

https://procurement.pttplc.com and then click

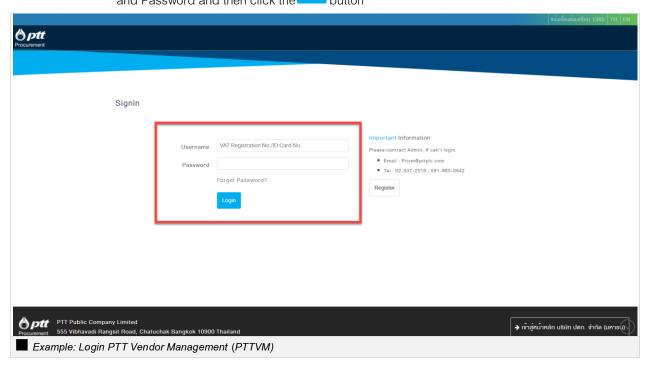

button as shown in the image

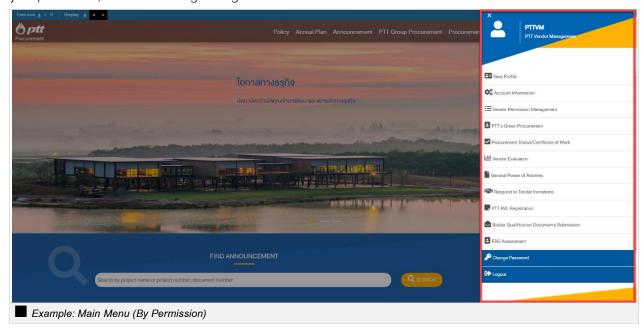

The second method is via PTT Vendor Management (PTTVM), which may be accessed
through the URL https://pttvm.pttplc.com/index.html#/app/signin. Please enter your Username
and Password and then click the button

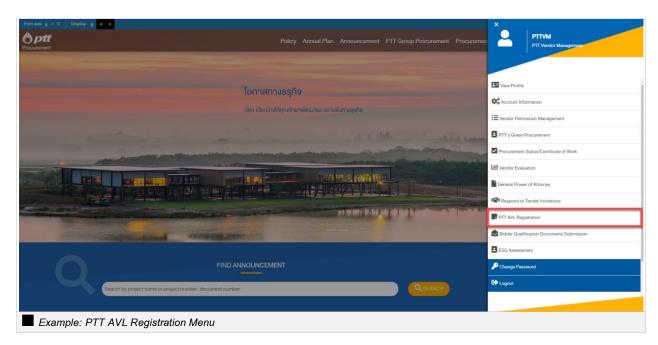

After Vendor has successfully logged in, the system will provide the appropriate option depending on your permission, as seen in the right image.

Select PTT AVL Registration menu option as shown on the right of the screen.

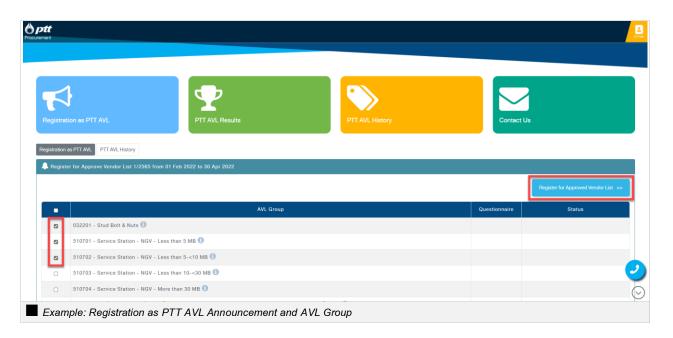

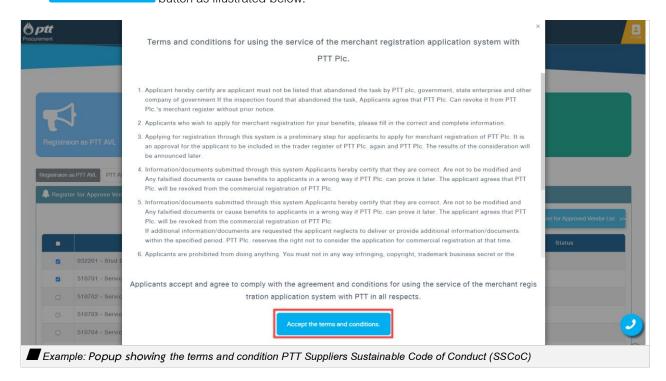

Remarks:

- Vendor may close the PTTVM menu by clicking X button.
- Or click to show PTTVM menu.
 - 2.1.2 After Vendor selects the PTT AVL Registration menu, the system displays the "Registration as PTT AVL information" screen. Vendor then selects ✓ to the AVL group for which Vendor wants to register and clicks the Register for Approved Vendor List >>> button as illustrated below.

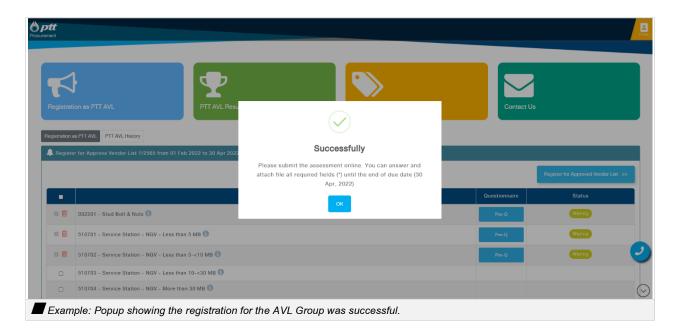

After Vendor clicks the Register for Approved Vendor List >> button, a popup window with the SSCoC terms and conditions will appear. Vendor must read and accept the SSCoC terms and conditions by clicking the Accept the terms and conditions as illustrated below.

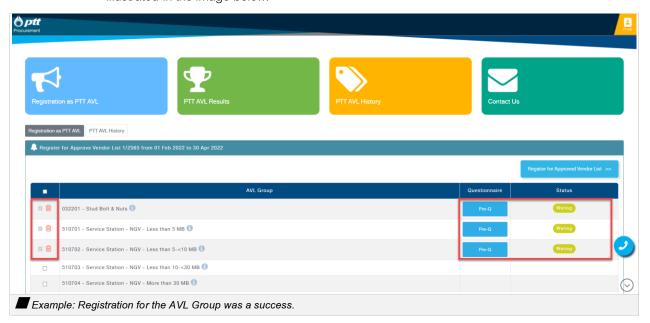

Remarks:

- In case Vendor accepts SSCoC's Terms and Conditions in an earlier version or has never accepted them, the popup window will show them.
 - (For further information about PTT SSCoC, see Section 12.2 of this manual.)
- In case Vendor has no ESG scores, the screen will show ESG Self-Assessment, in which Vendor must complete an ESG Self-Assessment Online with a minimum score of 2.5.
 - (For further information on the ESG Self-Assessment, see Section 12.3 of this manual.)

2.1.3 After Vendor has selected an AVL group and submitted an application for PTT AVL Registration, the system will display the "Pre-Q" button with a "Waiting status" for Vendor to review, as illustrated in the image below.

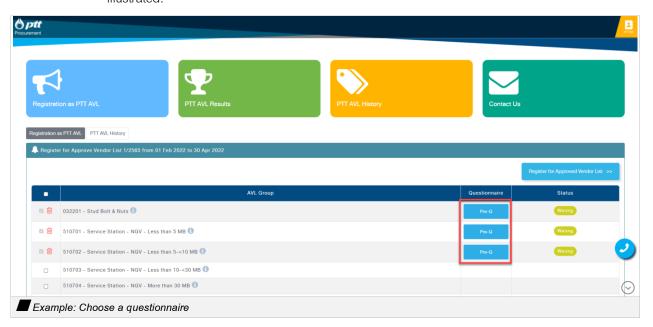

There are 6 statuses for PTT AVL Registration as follows;

Seq.	Status	Definition	
1	Waiting	Vendor has submitted an application for PTT AVL registration	
		and is awaiting the AVL's questionnaire.	
2	Waiting for evaluation (Save Draft)	Vendor completed and saved responses to the AVL	
		questionnaire.	
3	Cancelling PTT AVL Registration	Vendor cancelled PTT AVL Registration prior to submitting the	
		AVL assessment.	
4	Revision and Editing	PTT has reviewed Vendor's registration and has requested	
		that Vendor attach additional files.	
5	Review and Consideration	PTT has reviewed Vendor's registration.	
6	Evaluation Result (PASS/NOT PASS)	PTT has verified your registration and declared whether	
		Vendor's assessment result "PASS" or "NOT PASS."	

PTT Digital Procurement Page 17 of 53 PTT Vendor Management System

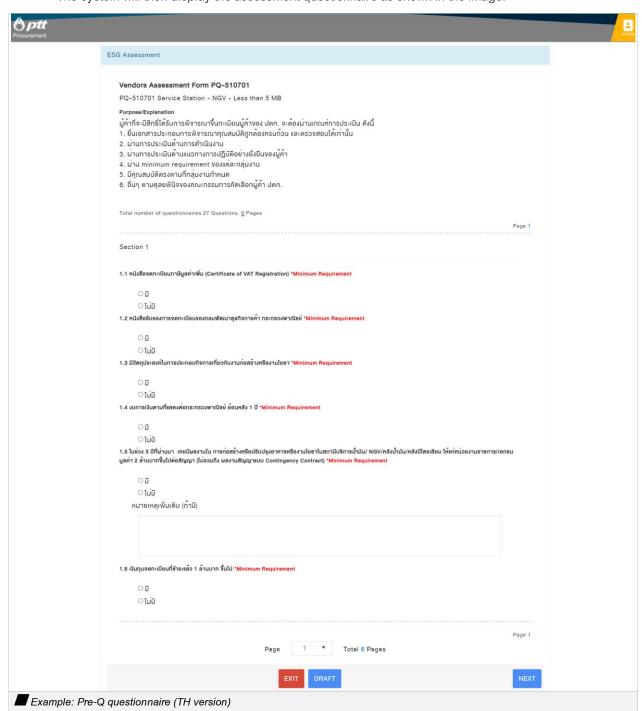

2.1.4 Vendor may respond to the questionnaire on this screen by clicking the Pre-Q button as illustrated.

The system will then display the assessment questionnaire as shown in the image.

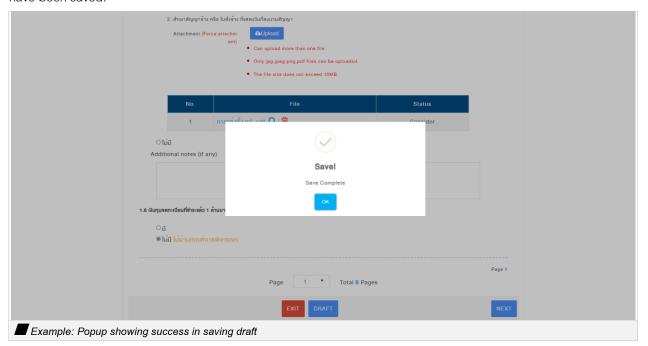

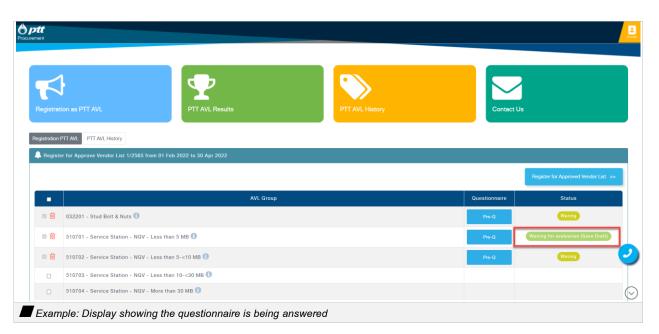

Vendor may click the button to save the draft Pre-Q questionnaire as shown in the image.

REVIOUS	EXIT DRAFT SUBMIT	

The system will then show a popup window requesting confirmation that Vendor wants to submit the AVL questionnaire. Kindly confirm by clicking the submit button as shown in the image.

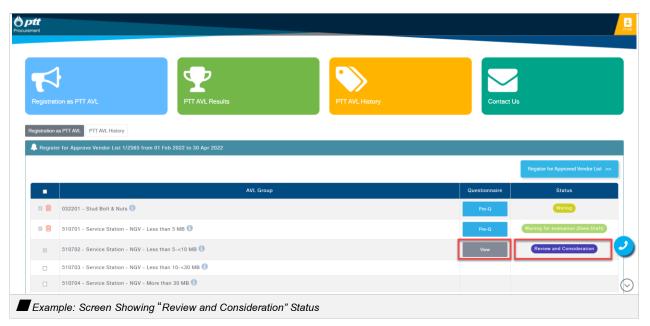

Remark: Please click the "CANCEL" button if you are not ready to submit the AVL's questionnaire.

PTT Digital Procurement Page 23 of 53 PTT Vendor Management System

When Vendor has completed submitted the AVL questionnaire, the system will display the button and the status will be "Review and Consideration" in the AVL's screen, as shown in the image.

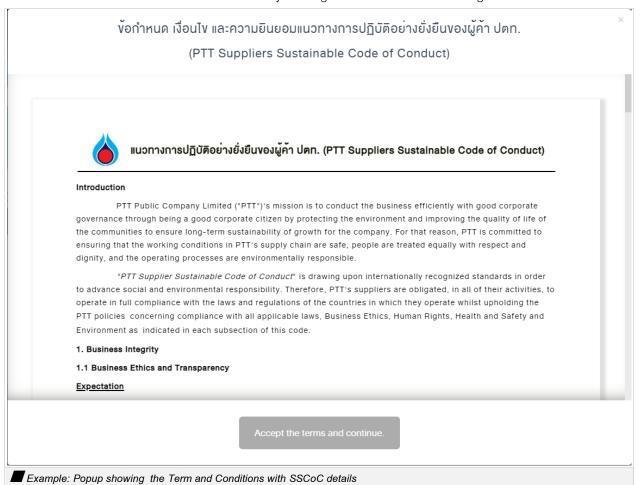

2.2 How to Accept PTT Supplier Sustainable Code of Conduct (SSCoC)

Vendor must read and accept the SSCoC's Terms and Conditions prior to taking any action on PTTVM.

The screen will display a popup window with information on the SSCoC. Vendor may continue by clicking the

Accept the terms and conditions.

button or shut the window by clicking the "X" as shown in the image.

Remark:

- Vendor that has already accepted the SSCoC's current Terms and Conditions is not obliged to do so again.
- Vendor that refuses to accept the current SSCoC Terms and Conditions will be denied registration with PTT AVL.

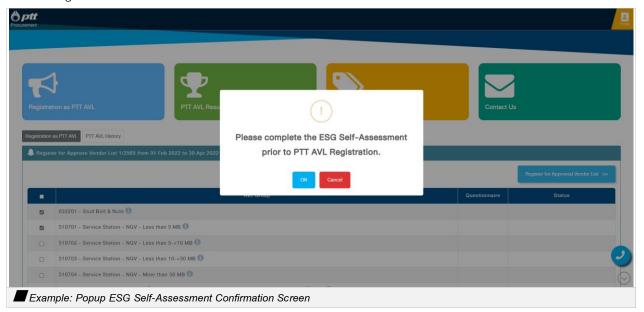

2.3 How to submit ESG Self - Assessment

The ESG questionnaire is divided into four sections: business integrity, corporate social responsibility, safety, and environmental management. Vendor interested in applying for PTT AVL must complete an ESG Self-Assessment with a minimum score of 2.5.

2.3.1 Case 1: For Vendor with a score of less than 2.5 on the ESG Self-Assessment or with no score at all on the ESG Self-Assessment

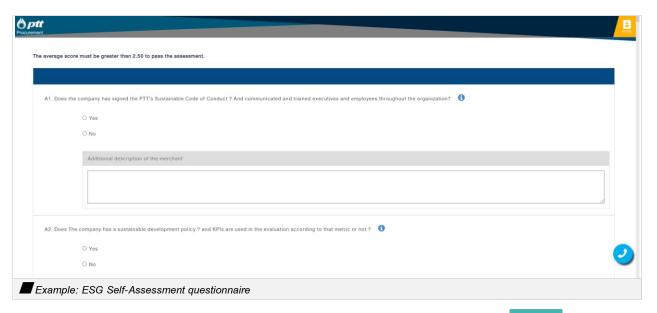

When Vendor clicks the "Register for Approved Vendor List" button, a popup message appears requesting that Vendor complete the ESG Self-Assessment prior to PTT AVL Registration as shown in the image.

To proceed, click the button. The system will then display the ESG Self-Assessment screen as shown in the image.

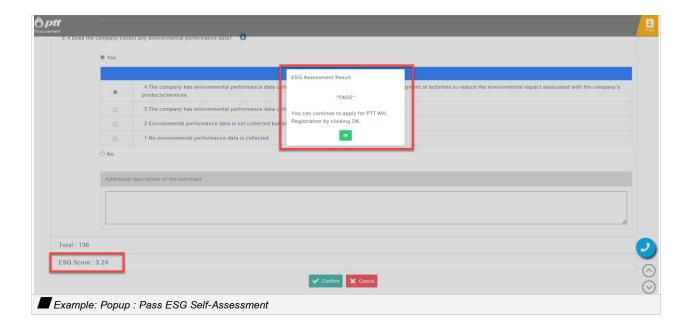

PTT Digital Procurement Page 26 of 53 PTT Vendor Management System

After the vendor has completed the ESG Self-Assessment questionnaire, click the confirm button. The system will display a popup window of the ESG Self-Assessment evaluation in which there are two possible outcomes.

If Vendor "PASS" the Criteria and has a score more than 2.5, the system will display a popup window notifying Vendor that "Vendor may apply for "PTT AVL Registration" After that, click the button to apply for PTT AVL Registration.

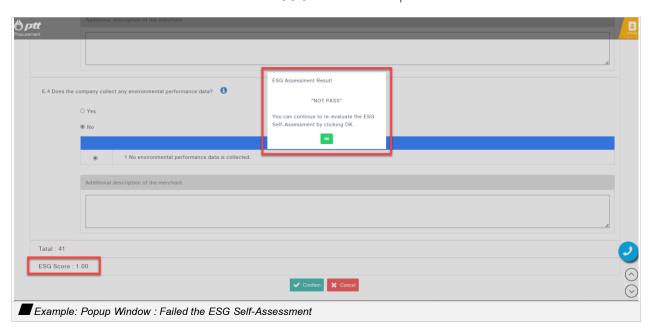

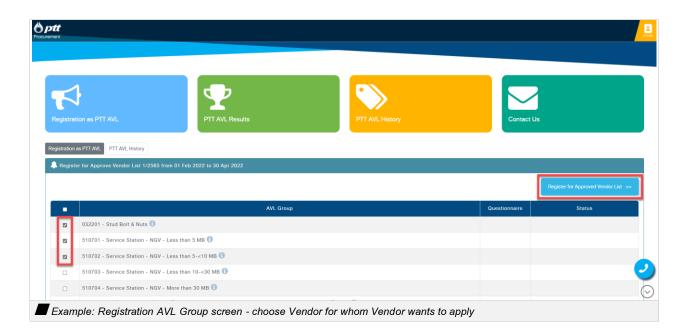

If Vendor do "NOT PASS" the criteria, the system will display a popup window notifying

Vendor that the ESG Self-Assessment did not pass, followed by a button

ESG Self-Assessment questionnaire.

2.3.2 Case 2: for vendors with an ESG score of more than 2.5, vendor can apply for PTT AVL Registration Vendor having an ESG score more than 2.5 may apply for PTT AVL Registration by selecting ✓ the appropriate AVL group and clicking the Register for Approved Vendor List >>> button as shown in the image.

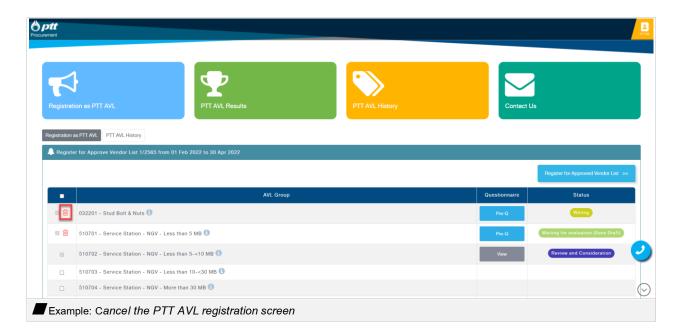

PTT Digital Procurement Page 28 of 53 PTT Vendor Management System

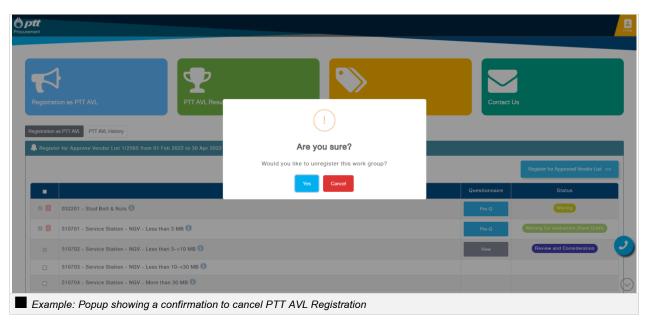

2.4 How to Cancel a PTT AVL Registration

Vendor that has registered for PTT AVL Registration but has not yet submitted their request to PTT may cancel their application by pressing the "TRASH" button, as shown in the image.

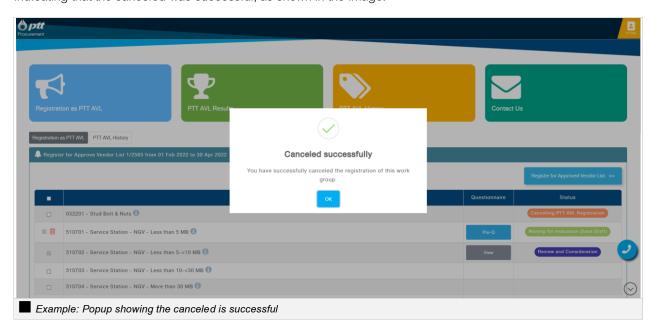

The system will then display a popup window requesting confirmation of the cancellation of Vendor's PTT AVL Registration, as shown in the image.

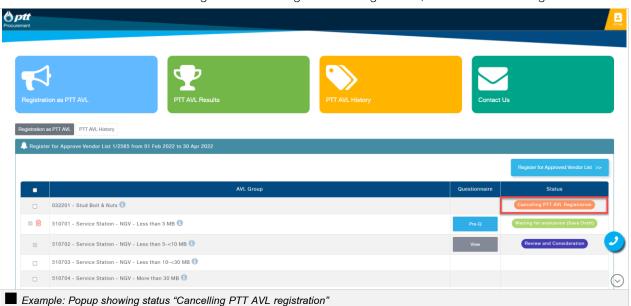

PTT Digital Procurement Page 29 of 53 PTT Vendor Management System

To confirm Vendor's cancellation, click the "YES" button; the system will then display a popup message indicating that the canceled was successful, as shown in the image.

The status will then be changed to "Cancelling PTT AVL Registration," as shown in the image.

PTT Digital Procurement Page 30 of 53 PTT Vendor Management System

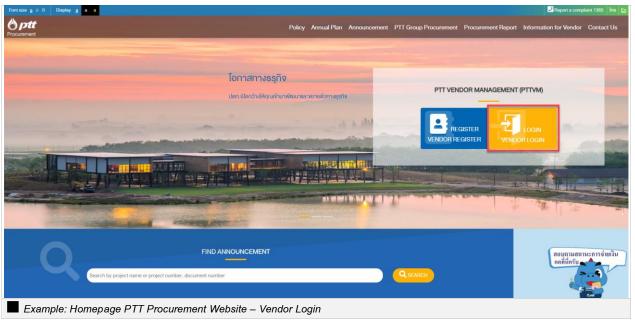

2.5 How to check Vendor's PTT AVL Registration, PTT AVL Result and ESG Score

- 2.5.1 Check Vendor's PTT AVL Registration
 - (1) First of all, Vendor may log in through the PTT Procurement website at

https://procurement.pttplc.com and clicking the button as shown in the image.

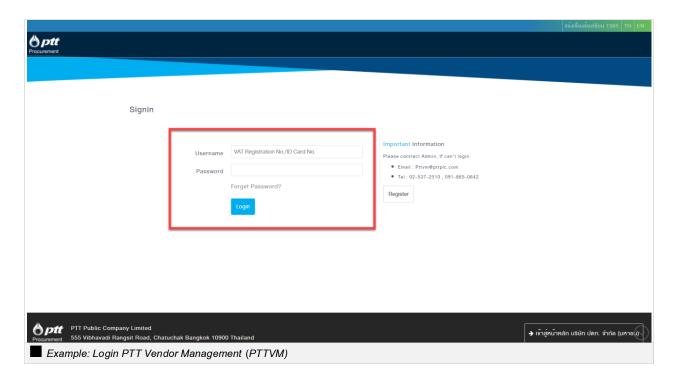

(2) Vendor may log in through PTT Vendor Management (PTTVM) at URL:

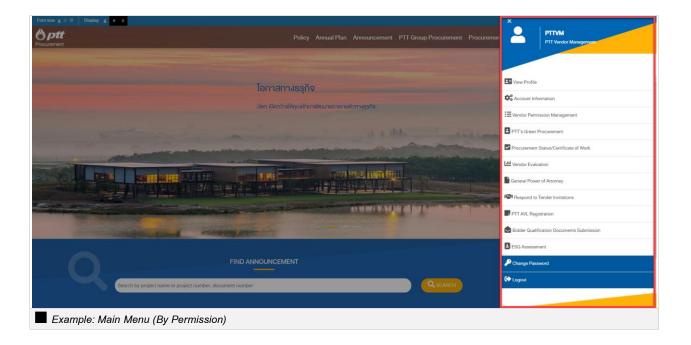

https://pttvm.pttplc.com/index.html#/app/signin , where Vendor must enter the Username and Password and then click the

PTT Digital Procurement Page 31 of 53 PTT Vendor Management System

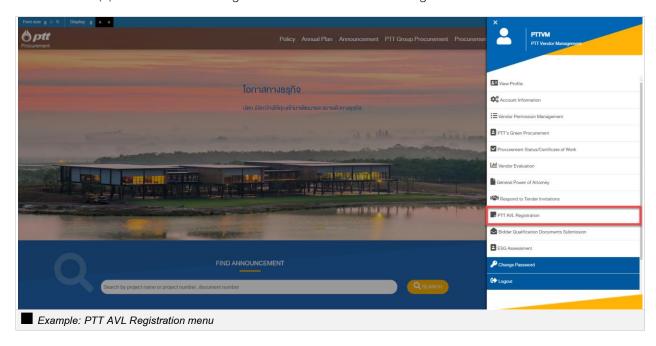

(3) Once Vendor has successfully logged in, the system will display the menu according to Vendor's permission, as shown on the right of the screen.

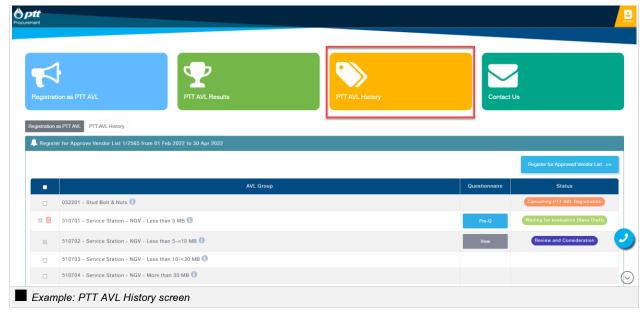

(4) Choose PTT AVL Registration menu as shown on the right of the screen.

(5) After Vendor clicks the PTT AVL Registration menu option, the system displays the "Registration

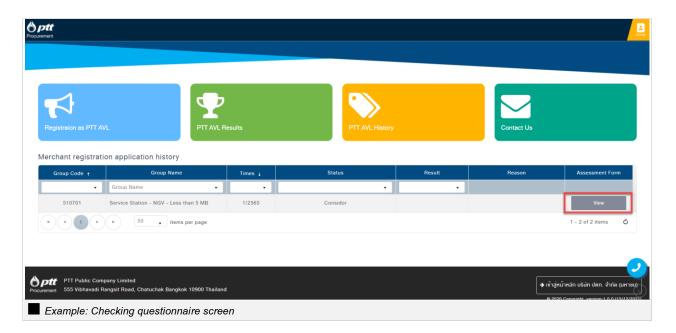

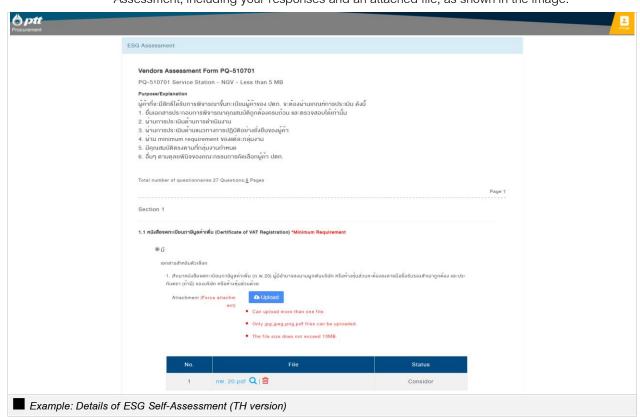

(6) Vendor may click the button to see the details of an assessment form Vendor previously submitted to PTT, as shown in the image.

PTT Digital Procurement Page 33 of 53 PTT Vendor Management System

(7) After Vendor clicks the button, the system displays the details of AVL's Assessment, including your responses and an attached file, as shown in the image.

1.5.2 Check your PTT AVL Evaluation Result

Vendor may check the result through two methods.

The first method: check the result of Vendor's PTT AVL assessment in the PTTVM system.

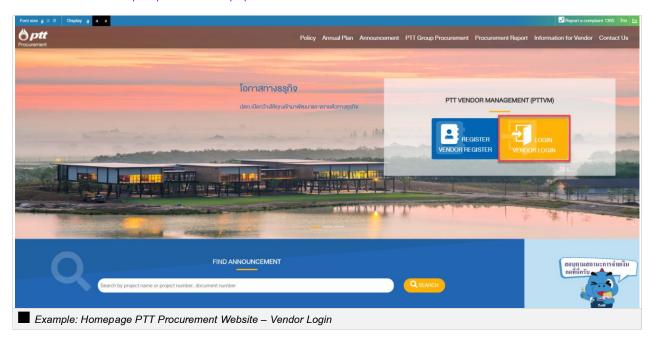

Vendor that submits an application for PTT AVL Registration will get an email confirming their status. Vendor may access details and results by visiting https://procurement.pttplc.com and logging into the PTTVM system using the steps below.

(1) Vendor may access PTT Procurement Website through the URL

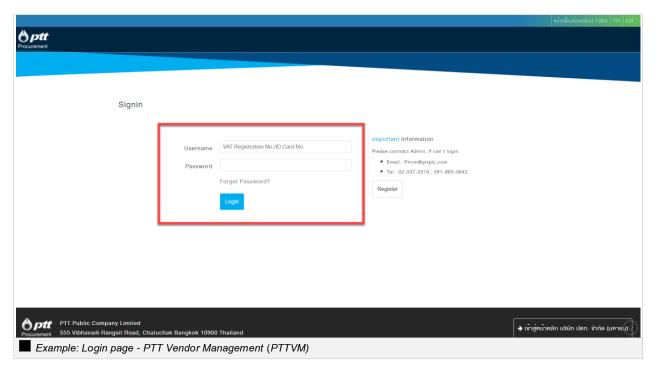

https://procurement.pttplc.com and then click the

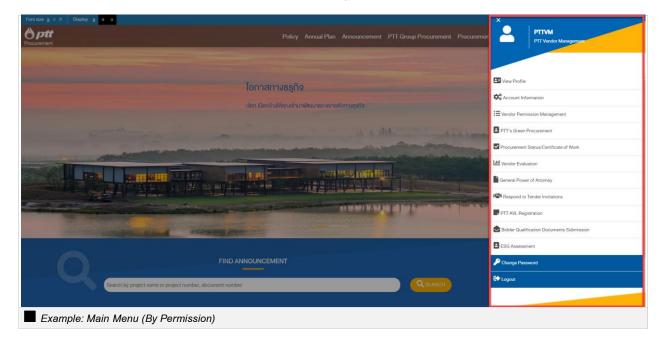

button as shown below.

(2) Enter the Username and Password, then click the Login buttor

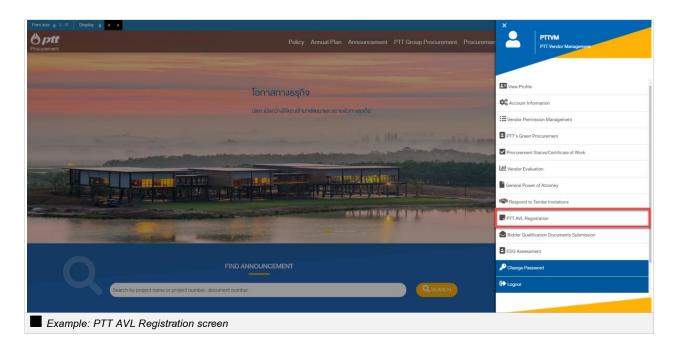

(3) Once Vendor has successfully logged in, the system will display the menu according to Vendor's permission, as shown on the right of the screen.

(4) Select the PTT AVL Registration menu option, as shown on the right of the screen.

PTT Digital Procurement Page 36 of 53 PTT Vendor Management System

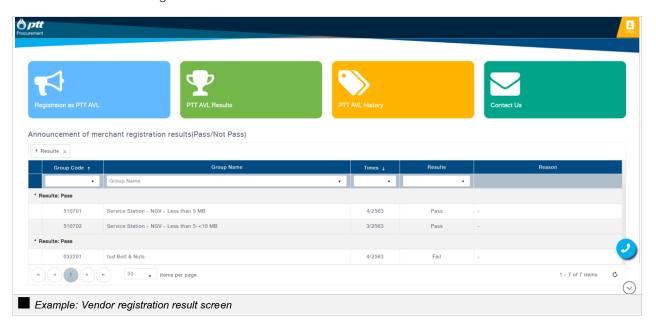

(5) After Vendor has clicked PTT AVL Registration menu, system will display "PTT AVL Results"

(6) The system will then display Vendor's assessment result as "PASS" or "NOT PASS," as shown in the image.

The second method: Check the PTT AVL Result on the Procurement Website

News and Information

Vendor may check the status of the PTT AVL Registration by visiting the PTT Procurement website at https://procurement.pttplc.com and following the on-screen instructions.

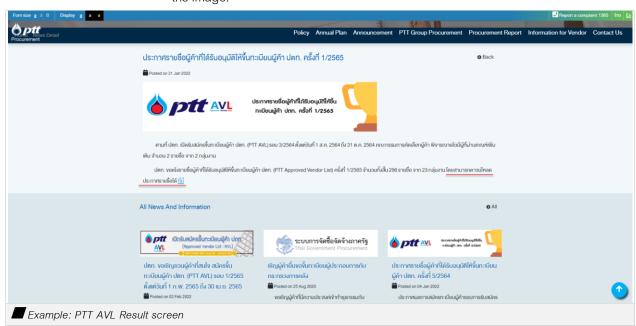

(1) The PTT AVL Announcement is accessible through the "News and Information" menu option. Please click to see further details, as shown in the image.

PTT Digital Procurement Page 38 of 53 PTT Vendor Management System

(2) The PTT AVL Result file may be downloaded from this announcement as shown in the image.

(3) The system will then display the PTT AVL result and its information, followed by the PTT AVL as shown in the image.

Remark: Vendor may download the PTT AVL Result file by clicking on the announcement above.

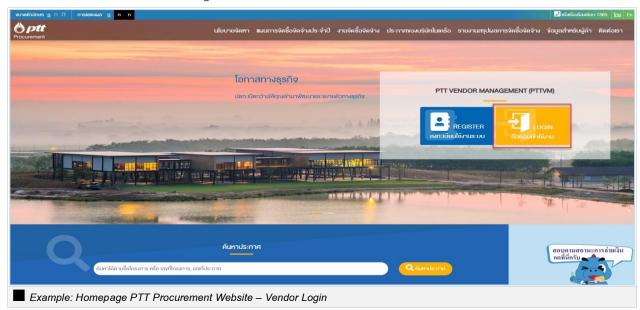

1.5.3 Checking Vendor's ESG Self-Assessment Score

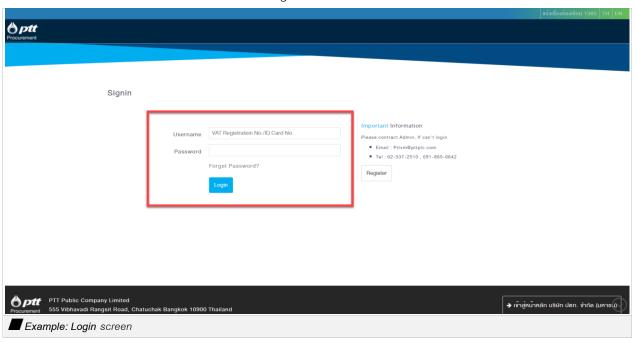

(1) Vendor may access PTT Procurement through the URL https://procurement.pttplc.com and

then click the Login button as shown below.

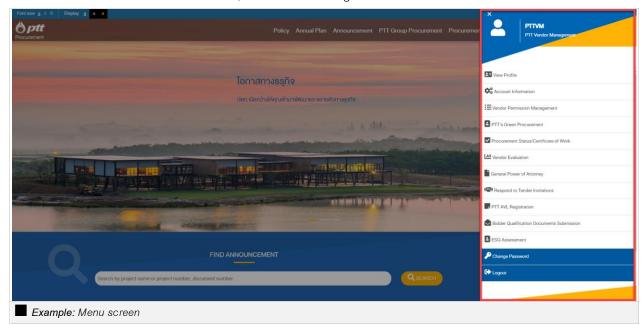

(2) Vendor may log in through PTT Vendor Management (PTTVM) at the following URL: https://pttvm.pttplc.com/index.html#/app/signin, where Vendor must enter the Username and Password and then click the Login button.

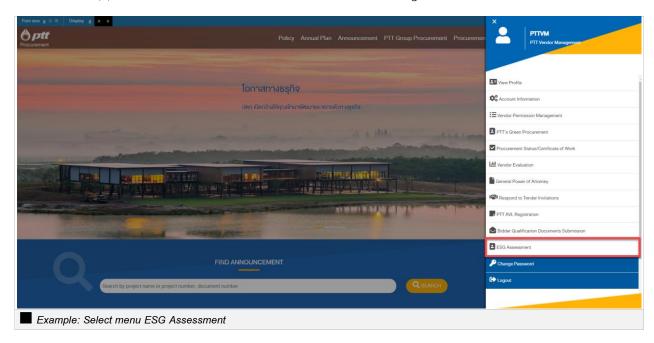

PTT Digital Procurement Page 43 of 53 PTT Vendor Management System

(3) Once Vendor has successfully logged in, the system will display the menu option according to Vendor's authorization, as shown on the right of the screen.

(4) Select the ESG Assessment menu as shown on the right of the screen.

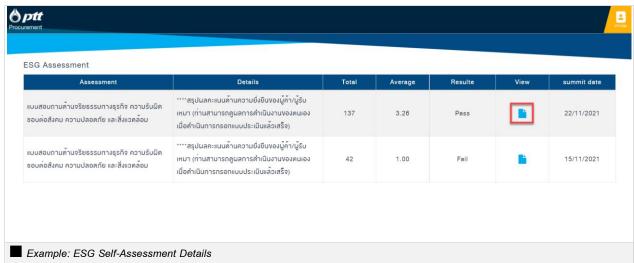

(5) When Vendor selects the ESG Assessment menu option, the system displays the ESG Assessment detail screen, as shown in the image.

PTT Digital Procurement Page 44 of 53 PTT Vendor Management System

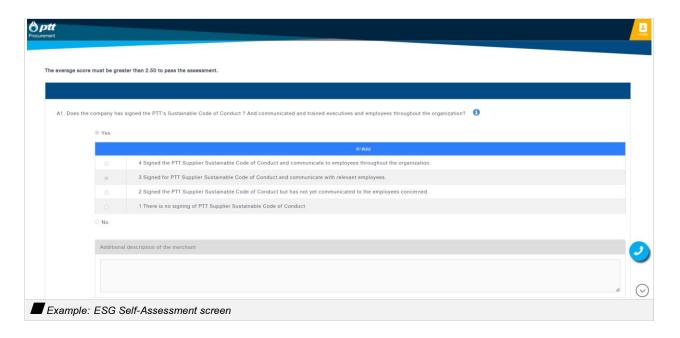

(6) After Vendor clicks the button, the system will show a detailed ESG Self-Assessment for PTT as shown in the image.

(7) The system will provide a detailed ESG Self-Assessment with Vendor's responses and attached files for PTT as shown in the image.

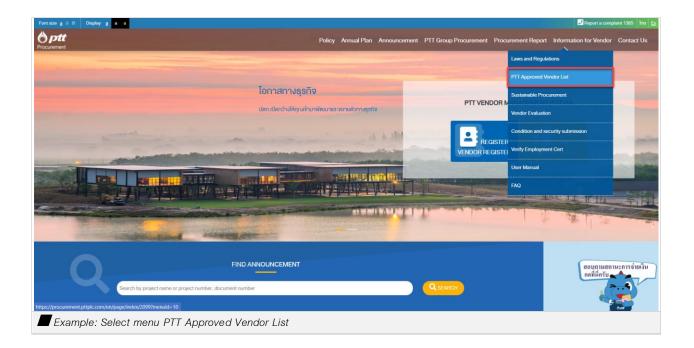

2.6 Learn more information about PTT AVL

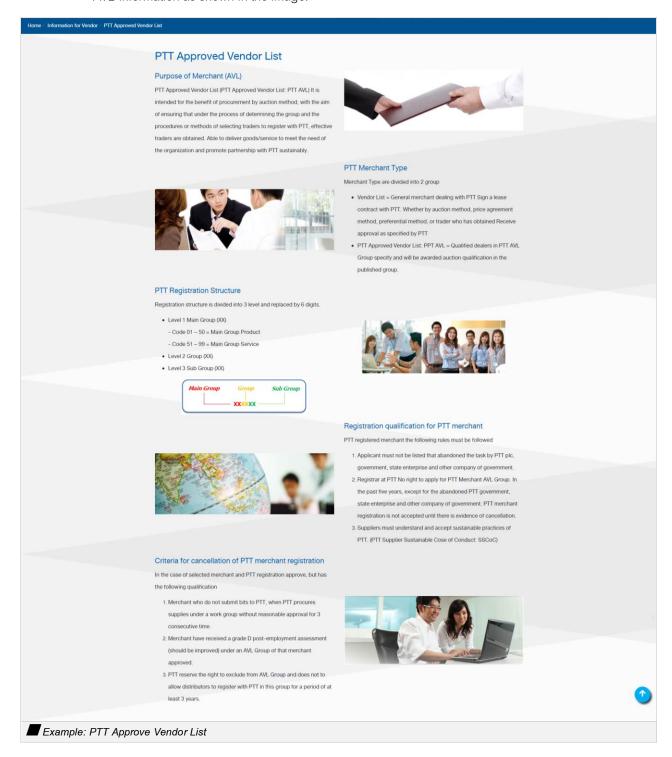

Vendor may get more vendor registration information by visiting the PTT Procurement website at https://procurement.pttplc.com and following the on-screen instructions.

(1) On the procurement website at https://procurement.pttplc.com, click the "Information for Vendor" and "PTT Approved Vendor List" menu options to get further information on PTT AVL, as shown on the right.

(2) After Vendor selects the "PTT Approved Vendor List" menu option, the system will display detailed PTT AVL information as shown in the image.

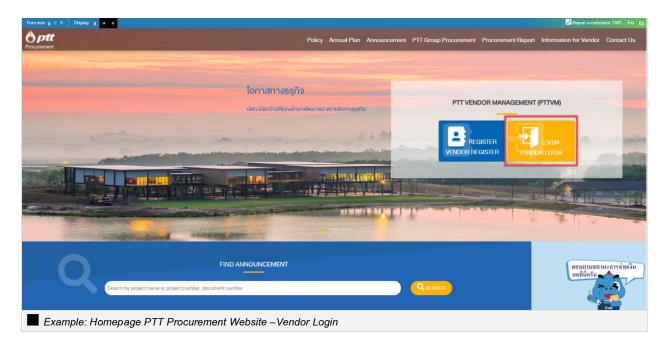

3. How to check Blacklist information for PTT Vendors

Vendor, with a previous record of abandoning any work undertaken as declared by PTT and The Comptroller General's Department, may check the blacklist information in the PTT Vendor Management (PTTVM) system. There are two methods for logging into the PTT Vendor Management (PTTVM) system:

The first method is via PTT Procurement's website at https://procurement.pttplc.com.
 Vendor may log in using the URL https://procurement.pttplc.com and then clicking the

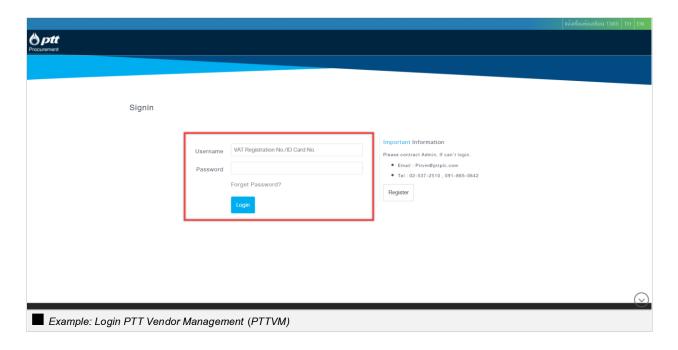

button as seen in the image below.

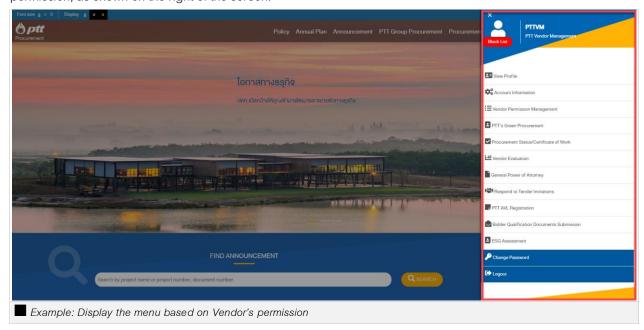

The second method is via PTT Vendor Management (PTTVM), which may be accessed
through the URL https://pttvm.pttplc.com/index.html#/app/signin. Please enter the Username
and Password and then click the

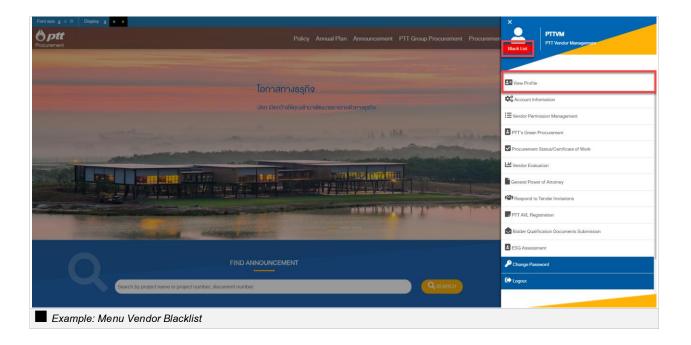

After the Vendor has successfully logged in, the system will display the menu based on Vendor's permission, as shown on the right of the screen.

If the status of Vendor is Blacklist, select the View Profile menu or the "Blacklist" icon. or display a status of Vendor Blacklist, as shown in the image

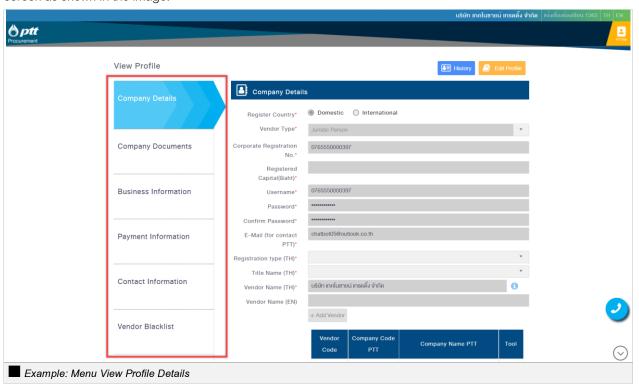

Remark:

- Vendor can click button to close PTT Vendor Management (PTTVM) menu
- Or click to show PTT Vendor Management (PTTVM) menu options.

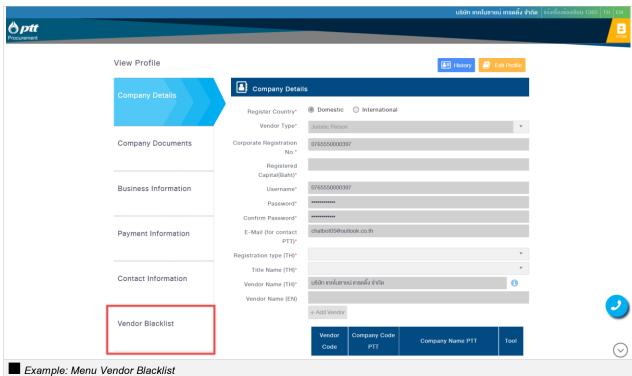

PTT Digital Procurement Page 50 of 53 PTT Vendor Management System

After vendor click on the "View Profile" or the "Blacklist" icon, the system will display "View Profile" menu screen as shown in the image.

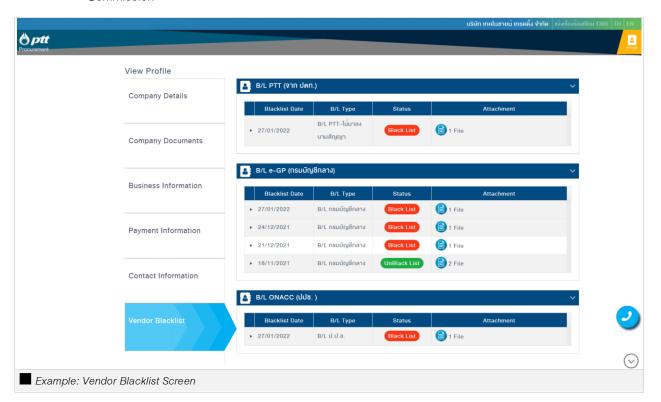

Vendor may select "Vendor Blacklist" menu option, as shown in the image

When Vendor selects the "Vendor Blacklist" menu option, the system displays the status of the blacklisted Vendor with the three following parties.

- 1. B/L PTT
 - Record of abandoned work undertaken as declared by PTT
- 2. B/L e-GP
 - Record of abandoned any work undertaken as declared by The Comptroller General's Department
- 3. B/L ONACC
 - Record of abandoned work undertaken as declared by Office of the National Anti-Corruption Commission

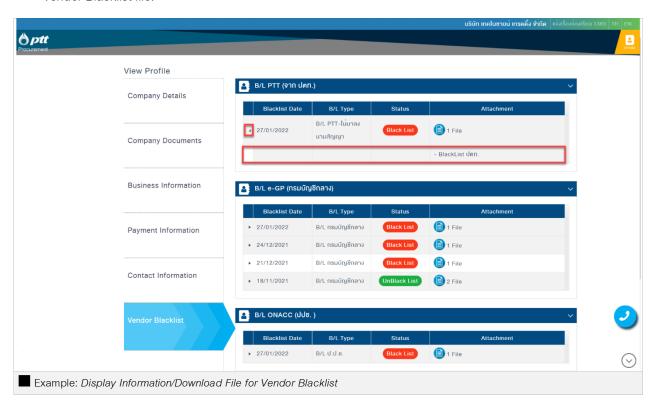

Remark: If Vendor has previously had a history of Vendor Blacklist, the system will show a list record of abandoned work; however, if Vendor has never had a history of Vendor Blacklist, the system will not display the "Vendor Blacklist" menu option or menu bar.

Display of information on the "Vendor Blacklist" screen

Seq.	Field name	Description		
1	Blacklist Date	Display the date of Vendor Blacklist.		
2	B/L Type	Display the type of Vendor Blacklist.		
3	Status	There are 2 different statuses for Vendor Blacklist, as shown below. 1. Blacklist = Vendor who has previously had a history of Vendor Blacklist. 2. Un Blacklist = Vendor had a history of Vendor Blacklist and the Vendor Blacklist has been voided.		
4	Attachment	Display the number of attachments.		

By pressing the button, as shown in the image, Vendor may access further information/download the Vendor Blacklist file.
